Students who plan to get a certificate in polysomnography (sleep medicine) technology will be assigned the temporary major of POS code 535 until they are officially admitted to the polysomnography technology certificate program.

The polysomnography (sleep medicine) technology certificate program is designed for practicing polysomnography technicians, as well as individuals who would be filling entry-level positions in the field, who need to complete didactic studies and supervised clinical practice to meet the requirements of the Maryland State Legislature for licensure in the state of Maryland as a polysomnographic technologist. Graduates of the program will be eligible to apply for the Polysomnographic Certification exam administered by Board of Registered Polysomnographic Technologists and for licensure in the state of Maryland as a polysomnographic technologist.
