**Employer:** Akukulu Family LLC    **Web Site:** <http://akukulufamily.com/>

**Employer Profile:** Akukulu Family is a certified Woman-Owned minority small business. Our goal is to build a healthy, prosperous, and integrated community. We provide services under three pillars - Information, Mentoring, and Networking with the focus areas of education, health, business, social topic, and recreation. We created two popular programs which serve the minority youth and women. Life Youth Mentorship and Tutoring (LYMT) elevates minds and changes lives by providing carefully crafted youth mentorship and tutoring to underserved and underrepresented communities. This program is bilingual in Amharic and English languages. It is culturally sensitive, all-inclusive, immersive, and diverse. LYMT implements proven strategies to keep our youth from detention centers while supporting communities' safety and economic stability.

Our passion, knowledge, skills, and experiences in community youth developments empower youth to success while preventing identity crisis, mental health crisis, suicide, substance use, and violence. Besides, workforce developments in STEM, entrepreneurship, and apprenticeships is one of our primary goals in youth job creations. The tutoring sessions include in class Science, Math, English, and Art individual and group tutoring coupled with STEM field trips. This tutoring method will help students understand the practical applications of in-class STEM education. The Social Hour supports social, emotional and behavioral growth.

RBS Women's Business Mentorship is specifically designed to empower minority women to start their own businesses. Through one-on-one and group business mentorships, minority women are empowered and inspired by experts' knowledge, skills, and experiences. Resilient Business Solutions enable women to use innovative business ideas. Also, we mentor women to certify their businesses for government contracting. Akukulu Family continues to provide free bilingual public information in videos, podcasts, TikTok lives, and blogs.
