

Adult ESOL & Literacy Grant Program

The Adult ESOL Program provides basic English language and life skills instruction to Maryland residents whose native language is not English. This program is unable to provide services to F1 and J1 visa holders.

Phlebotomy Technician Training for ESOL Students

Are you ready to begin a career as a Phlebotomy Technician and improve your English?

The AELG Program can help you learn and improve English language and basic skills you need to participate in phlebotomy technician program at Montgomery College. This course will help you prepare for the certification exam and get you ready to obtain a job in this healthcare field.

Course Dates: March-June 2025

Monday-Thursday (5:00 p.m.-9:30 p.m.)

Location: Montgomery College, Takoma Park/Silver Spring Campus

Requirements

To apply for this course, you must:

- Be interested in getting a job as a phlebotomy technician.
- Want or need to improve English skills.
- Attend information session and take all required tests.
- Be a Maryland resident.
- Have a high school diploma or equivalent.
- Be eligible to work in the USA.

For more information, please send enquiries via e-mail to: ESOL@montgomerycollege.edu or call: 240-567-8950.

For disability related accommodations, please contact the Montgomery College Disability Support Services by e-mailing: natalie.martinez@montgomerycollege.edu at least 2 weeks before registration.

Montgomery College is an academic institution that is committed to equal opportunity and fostering diversity among its student body, faculty, and staff.

This program is funded by the MD Dept. of Labor, the U.S. Dept. of Education, and the Montgomery County Government.
